

Yeti Raffle Benefitting Deirdre Moor and Family

Deirdre Moor

On March 11th, 3 year old Deirdre Moor was diagnosed with Acute Lymphoblastic Leukemia. Deirdre is the daughter of Alex Moor, a Production Manager at NVR, Inc., and Mary Vaughn Moor, a Psychologist who is expecting their second child in early August. The Moors live in Lewes, but have spent weeks at Al Dupont. They are fortunate to be at home now but have a long road ahead of them, full of treatment and special accommodations for Deirdre. In spite of the intense treatments, pain and hospital stays, Deirdre has been a trooper and is determined to make a full recovery.

From the moment the Moors found out about Deirdre's sickness, they have asked only for prayers from those around them. Deirdre and her

family have been strong and now it is time for us as a community to strongly support the Moors. We are asking you to join us in support of Deirdre Moor and her family for a special raffle where all proceeds will be donated directly to Deirdre, with the goal of helping her to make a healthy, quick recovery! Here's how you can help:
